

Privacy Policy

At Lottery Logix, we place the highest importance on respecting and protecting the privacy of our customers. Our most important asset is our relationship with our customers. Therefore, we would like to share with you the following principles that govern our information security practices and other privacy aspects of our Web site

We protect your information

We work to protect your personal information from loss, misuse or unauthorized alteration by using industry-recognized security safeguards. We use both internal and external resources to review our security procedures. Our employees are trained and required to safeguard your information.

We do not sell or rent your personal information to anyone or any organization.

Lottery Logix uses Remarketing with Google Analytics to advertise online.

Third-party vendors, including Google, are able to show our ads on sites across the Internet. Lottery Logix and third-party vendors, including Google, use first-party cookies (such as the Google Analytics cookie) and third-party cookies (such as the DoubleClick cookie) together to inform, optimize, and serve ads based on someone's past visits to our website.

We do not share your personal information (name, address, email, etc) with anyone outside of Lottery Logix.

However, we do use third-party advertising and analytics companies to serve ads when you visit Lottery Logix. These companies may use information (which does not include your name, address, email address, or telephone number) about your visits to this site in order to provide advertisements about goods and services of interest to you. If you would like more information about this practice and to know your choices about not having this information used by these companies, [click here](#).
